

REMARKS

This application has been amended to correct language in one of the originally-filed claims.

The present Preliminary Amendment corrects the range of unit weight recited in claim 17 to properly recite lower and upper limits of 55 and 75 g/m², respectively. This feature and the corrected values appear in the international application as originally filed and published, at least on page 5, lines 4 and 5.

If the Examiner has any other questions or requires further clarification of any of the above points, the Examiner may contact the undersigned attorney so that this application may continue to be expeditiously advanced.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,
